PRESS RELEASE   05.25.18

Our priority is to make every guest at Point Ruston feel welcome and to make parking their vehicle as easy, safe and convenient as possible. Our customers will always park free.

As part of the ongoing growth and development of our beautiful community, we want to be sure that there is convenient parking for all customers. This is why our paid parking program, for guests that choose not to shop at Point Ruston, is going into effect.

PARKING AT POINT RUSTON

All Point Ruston visitors receive up to one hour grace period

- Visit one of our merchants for a free parking validation or please prepay for parking within the grace period
- Only 1 grace period allowed per vehicle per day
- All Point Ruston merchants validate with a minimum purchase.
- Grace period expires upon parking payment or your first validation
- Validations do not accumulate. *Each new validation replaces any existing validation or prepay*
- Parking session ends when the last received validation or prepay expires
- Failure to maintain an active prepaid or validated parking session may result in a monetary parking penalty
- Download our Phone App: Passport Parking Mobile App for easy management for prepaid parking from your smart phone
- Paid parking is $2.00 per hour

VALIDATION

Parking validations are entered by every merchant. Each merchant has different validation time and minimum purchase. See individual merchants for more details. *(License plate number required)*

-       *OR*   -

PAID PARKING

Pay by using the mobile app or pay at kiosk. See pay station for options. *(License plate number required)*

DOWNLOAD THE APP

Passport Parking Mobile Pay, available on Google Play and the App Store.
